The Resident
CONCORD NSW 2137

Dear Resident

Bridge construction – Massey Park Golf Course and Sanders Reserve

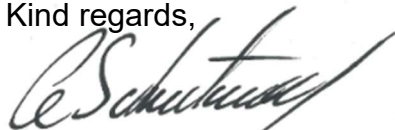

As part of our commitment to improving public safety and providing quality active recreation facilities, we are undertaking the construction of a new canal bridge connecting Massey Park Golf Course and Sanders Reserve, Concord. The cost of these works is \$870,000.

The works are scheduled to commence Monday, 13 November 2023 with completion expected in February 2024, weather and site conditions permitting. Generally, works will be carried out between Monday to Friday from 8am to 4pm, however there may be instances that will require work to be undertaken outside of these hours.

The works will be staged and the pedestrian bridge along the foreshore will remain open throughout the project for pedestrian access. Please refer to the image overleaf for more details.

Should you require further information, please contact our Project Manager, Mark Leong, on 9911 6239.

Kind regards,

Greig Schuettrumpf
Director City Assets
